Frequently Asked Questions

faq

Can I use my own Google Slides Book Template Templates?

Absolutely! Simply drag and drop your templates into the Simplified Design Editor.

faq

Can I turn my presentation into a video project?

Most definitely! You can do this by adding transition affects between the slides on your art board at the bottom of your screen. Go to the panel above your presentation and hit the "Animate" button. On the right hand side a presets panel will pop up, displaying a variety of transition affect options. Choose the one you want by hitting the "+" on your art board, then click the desired affect. Play around with the different options to see what fits your presentation needs.

faq

Are there keyboard shortcuts I can use to edit my presentation?

Most definitely. To open the Keyboard Shortcuts, Panel hit "HOTKEYS" on the bottom left hand of your screen. A list of Keyboard shortcuts will emerge on the right-hand side of your screen.
